

September 2020 All Media Show

The September All Media art show is a focal point of this season's opening. We invite artists to submit their artwork, any medium and any topic. A rich variety of art is selected for display and for sale in the main gallery.

Join us September 25th from 6 p.m. – 8 p.m. for a reception, meet the artists and enjoy live music.

Below is a list of all accepted entries. These can be viewed in the gallery. The shows continue through October 16, 2020. We are open to the public every day, except Monday. A video of the award-winning entries and solo shows opening in the gallery will be on our website.
