

July 2021 All Media Show - Take Me Away

Juror: Jessie Boyland & Glenda Kotchish

We'd liked to thank all the artists who submitted their artwork. The theme of the show is "Take Me Away – Vacation Fun" and the artists met this challenge with a variety of subjects and mediums.

1st Place goes to Linda Bunce for *Beach Bliss*. This stained-glass window depicts a woman resting in a chair, looking out at the beach, reading a book. A glass of wine is pictured in the foreground. The perspective and various directions of the lines in glass adds interest and complexity.

2nd Place goes to Josh King for *Pluto Road*. *Not only does the highway and landscape suggest a trip and an adventure but the enlarged moon could easily be another planet, perhaps Pluto.*

3rd Place goes to Cathy Cazares for *Take Me Out to Sea*. What intrigued us about this piece was of course the subject matter of a boat and the sea but also the filter of the work which suggested looking through an old photograph album of past adventures and good times.

Honorable Mention goes to Jeff Morris for *Remembering Music at the Stone House Before COVID*. This painting of Forest Hill Park's summertime concerts, takes us back to good times that we remember and are gradually returning to participating in post COVID19.
