

Call for Entry Calendar

Nearly every month, Art Works has a Call for Entries for exhibits. This Call for Entries is open to any artist. Sometimes the exhibit will have a theme. Other times, there will be no theme. Any medium and any topic is allowed.

Submit your artwork in our juried All Media Shows. It's easy with our digital submission form. Fill out the form and upload an image of your artwork. We take it from there and will let you know if the artwork is accepted in the exhibit. You can submit up to 3 pieces of artwork, any style, any medium. You pay a small entry fee.

Artwork that can be delivered to the art center for display will be hung in one of our galleries. For out-of-town entries and entries from other countries, that are accepted, these will be exhibited online, virtually.
