

This exhibit is a focal point of Art Works' openings. Artists were asked to submit work featuring trains, train stations, train bridges, and anything train related. Any medium was acceptable. The Richmond Railroad Museum and Art Works partnered to produce this exhibit. On September 24, 2022, the Richmond Railroad Museum hosts Train Day, a day of fun activities at the museum, free and open to the public.

On Display at Art Works – Skylight Gallery
