

March 2023 Recycled - All Media Show

Juror: Brian Barr

Each month Art Works invites artists to submit their work in an open call-for-entries. These exhibits are a focal point of all Art Works' openings. Any medium and subject matter is encouraged. The theme for this exhibit is recycling. Each piece of art is comprised of found or recycled objects. Any medium is acceptable as long as recycled attributes are incorporated. Brian Barr is the juror for this exhibit. Brian is an artist and independent curator. He holds an MFA from American University, Washington, DC. Brian is an adjunct professor at VCU School of the Arts. He has been awarded numerous prestigious fellowships and been featured in New American Paintings magazine. Barr regularly collaborates with his wife, artist Lauren Rice. He has exhibited and curated shows widely throughout the country.
